

The logo features the text "Peace Center" in a bold, black, rounded font. The word "Peace" is on the top line, and "Center" is on the bottom line. The letter 'P' in "Peace" is stylized with a white five-pointed star inside its upper loop. The text is centered within a red rectangular border. The corners of the red border are decorated with red swirls. Small red circles are placed at the midpoints of each side of the red border. The entire red-bordered area is enclosed within a blue double-line border that has rounded corners and small circles at the corners, resembling a scroll or a framed sign.
