

# I Go to School

I will be going to school at XXXX.

I will walk in and put my backpack and coat away.

My teacher is Ms. Kassandra and Ms. Enza. They will be there to help me.

This is the rug where we sit for circle time.

I eat Lunch with the  
rest of the kids.

I will do lots of fun things at school.  
We get to play outside at recess time.

If I need to go to the bathroom, this is where I go.

Mommy picks me up at the end of the day. School is going to be so much fun!
